NIGGER RACISTS SHOW THE WAY TO POLITICAL VICTORY

Official Publication of the American Nazi Party

THE ROCKWELL REPORT is published fortnightly by the American Nazi Party at 928 N. Randolph St., Arlington, Virginia, U. S. A. Single copy, 50¢. One year, mailed first class in plain, unmarked envelope, $10, Air Mail, $11. One month, $1. Clippings welcomed.

In the ROCKWELL REPORT for March 1, 1963, just three weeks ago as I write this, we wrote about the booming "anti-semitism" (awareness of Jewish agressiveness) among the Negro people. We pointed out that The Black Muslims were winning the black people of America so fast that even the rottenest black toadies to the Jews were being FORCED to back off from their Kosher masters a bit.

Only two weeks later one of the vilest, most disgusting and venal of all nigger politicians, Adam Clayton Powell, came out with one of the most significant confirmations of our article possible.

Powell is the head nigger of Harlem, --or, rather he WAS the head nigger. For Jewish gelt and power, this supposed "minister" of the Christian gospel was HERDING the ignorant blacks of Harlem as a battering ram against White Society for the exclusive use of red and Zionist JEWS.

Jews were eating the Black People of Harlem ALIVE; preying on all their weaknesses and vices just as they do with White People, -but more directly and viciously, since the Blacks are less intelligent, less educated and easier to con. Jews were running almost ALL the businesses making real money in Harlem, (and all Negro ghettoes, for that matter), using the Blacks as near-slaves in sweat-shops even while shouting so loudly for nigger "Uhuru!", garnisheeing their wages, stuffing dozens of them in rat and roach-infested tenements for fantastic rents, selling them dice, rotgut Zionist whiskey and wine, heroin and other dope, --and so on for an endless list of human rotteness and misery so familiar in Negro life.

As usual, the Jews are so greedy and arrogant in their depradations upon all other peoples that they lose perspective and GO TOO FAR.

They have gone WAY too far with the Black Man today. It never occurs to these red and Zionist Jews that other races beside themselves can finally produce real LEADERS, as is the White Race at last, --AND THE BLACK RACE.

Black Men of the stature of Elijah Muhammad and Malcolm X have finally seen through the Jew pose as benefactors of the very slaves these Jews are exploiting and ruining with their commercialized vice. Malcolm X never fails to point out to audiences, even on TV, that the NAACP and CORE are NOT headed by Black Men, but by what he calls in White Public "White Men", --and "JEWS" at the Muslim rallies I have attended. He rightly points out that it is "funny" that in FIFTY-THREE YEARS, the NAACP has not been able to find a Black Man to lead it, and has had to get along with Arthur Spingarn or his brother for all those fifty-three years, as President and leader of the supposed Black Man's organization. Fifty-three years of solid Jew leadership! -on behalf of JEWS!

With Elijah Muhammad preaching pride of RACE to the Black Man, just as we preach pride of RACE to the White Man, -(and therefore exposing the JEWISHNESS of race-mixing filth), the phony, Jew machinery of the NAACP and CORE began to appear for what they ARE to the Negro masses. And, just as the Jews have made US such objects of promoted hatred and fear that most of the White Masses either THINK they hate us, or are too scared to admit they are for us, -but secretly hope we win, -so have the Negro masses already deserted the Kikes and their ring-in-the-nose nigger organizations. The Jew propaganda that the Muslims are a "hate" organization, and Muhammad's bizarre "religious" approach keep most coons too scared of their own inner drives to join the Muslims openly, -but I have found damned few of them who do not at least secretly admire the Muslims and wish for their success, just as most White Men of decent instincts desire OUR success, even though they often cannot admit it even to themselves.

The delightful result is that Malcolm X is fast becoming the REAL boss of Harlem, and the Jew toady, Powell, had been FORCED to try to slink over into his own camp and back-handedly attack the Jews, -just to stay in power and in the luxury the Jews have given him.

But I don't think the Muslims are so stupid they will allow Jew-Uncle-Tom Powell to get away with his new act, any more than WE will welcome and permit creeps like Drew Pearson to "join" us, as they will inevitably try to do, when it appears that the WHITE masses no longer believe their "brotherhood" garbage and Jew-loving begins to be a detriment instead of the key to pelf and power, as it is now.

All of this holds a TREMENDOUS, vital lesson for would-be White Leaders.

Winning a bunch of people who are ALREADY on our side and then SELLING them tons of "wake-up" literature" does little good in BEATING the enemy which has America by the throat. As long as Negro Nationalists, of which there have been hundreds, confined themselves to this safe and easy kind of "fight", the Jews had a "ball" using and laughing at the Black Man they were pretending to lead to the promised land. But when Elijah Muhammad went out with an AGGRESSIVE, DANGEROUS FIGHT, which put hundreds and hundreds of Black Muslims in JAIL, -and got some of them killed, -and when he went after aroused MASSES, -he began to WIN!

He began to win because he put up a FIGHT which won the HEARTS of the masses of Black Men.

The masses are no thinkers, but they have pure INSTINCTS. They can smell a phoney blabbermouth "fighter" a mile away, -and they detest

him, as nature intends. They know that the man who really gets into a FIGHT for them is going to get BLOODIED UP, -and, when they see no bloodshed, -only TALK and LITERATURE, -they know with God-given instincts that the "leader" is NO leader. That is the curse of the "right-wing" today. Billy James Hoggis is stomping the land right this moment "fighting" and praying for "victory" --and contributions, --from the SAME people who are in the OTHER Right Wing organizations already. There are no riots or fights at HIS "rallies", because there are no potential converts, no liberals, no IGNORANT Whitemen and no HOSTILE enemies out to STOP the proceedings because they are DANGEROUS to the enemy.

It took Muhammad over fifteen YEARS to get to the point where Jew toadies like Adam Clayton Powell have been FORCED to stand with their own people instead of the Jews, -because Muhammad's approach was not demagogic and easy, but HARD, UNCOMPROMISING, FANATIC and DANGEROUS! But it was the FIGHTING approach which won the hearts of the Negro masses.

It is just so with OUR approach to OUR own White People. We do not sneak around the issues with "State's Rights", -we preach naked RACISM. We do not move to Alabama, we don't wave a Cross over our heads to fend off the blows of the enemy, and we truthfully STAND UP and get beaten, jailed and starved for refusing to bow to Jew pressure and pretend that Adolf Hitler was a monster.

This approach has cost us DEARLY in the beginning, while other organizations APPEAR to boom in the Right Wing. But then, so did the NAACP and CORE boom, with their demagogic and easy approach. Now the Muslim DANGEROUS and DIFFICULT approach has forced the "easy-way" "leader" niggers to crawl over to the Muslim side ---because the MUSLIMS HAVE FOUGHT AND WON THE HEARTS OF THE BLACK MASSES.

As we pointed out in our Muslim article two weeks ago, if the Muslims stay "pure" and refuse to be manoeuvered into a Jew "united front" with the communists, which I hope and believe they will, they will sweep to total victory, and we will help them make HISTORY in their own land of Africa. If they stumble now, and fall for the new Jew line, now that the NAACP has "had it", then the Muslims will become a million times more deadly than any NAACP, and we will sooner or later be FORCED to annihilate every last Black Man in America, if they turn RED!

But in either case, the laughable scramble of nigger Powell to hop on the Muslim anti-Jewish bandwagon is a PERFECT PORTENT of what's ahead for the White Man, too. Today the "easy-way" right-wing "leaders" seem to have all the cards, and we appear to be suicidal fools with our "gas the traitors" and back-to-Africa approach. We are in jails, hospitals and BLOODIED UP. The masses are WATCHING US all over the world. We have won RESPECT, while the rest of the Right-wing has been winning dues-paying members, a few votes and millions of dollars for endless "literature", and disdain from the MASSES.

And there's the KEY to beating the Jews!

MASSES of INFLAMED HUMAN BEINGS!

Without them, all the education, prayers and literature is WORTHLESS. With inflamed masses, nothing can stand in our way.

And you do not inflame masses with abstract ideas of "States' Rights", lower taxes, etc. etc, nor with grovelling prayers for God to do what we must, nor with mountains of "crusading literature", nor with right-wing "rallies," nor with roly-poly "leaders" like Hoggis.

You generate the power of aroused masses ONLY with a few basic, SIMPLE ideas which go direct to the fundamental DESIRES of a whole people; RACIAL SURVIVAL and PRIDE; SIMPLE, almost child-like love of a daring and bold LEADER; and the kind of self-sacrificing FANATICISM which DEFIES DEATH.

The Muslims have DONE that, and all the organized power and billions of organized Jewry are crumbling before the awesome force of Muhammad and his Black Masses.

The White Man is still not hurting enough from Jewish tyranny, (as are the Negroes) to support a FIGHT, -and so they keep losing, and will continue to lose for a long time yet.

Perhaps the first real sign that we are beginning to move like a glacier toward the aroused masses we need is General Walker.

From every town where Hoggis has put on his Coins-for-Christ-andHoggis road show, USING General Walker as showmen before him used Buffaloe Bill and General Custer, -come reports to my desk that Hoggis is lying about me unmercifully and stupidly. The fat faker has no other alternative. But General Walker STILL STEADFASTLY refuses to say ONE WORD of these lies or condemn me, in spite of the UTMOST provocation.

I believe this means, whether the great General admits it to himself yet or not, that he knows with the unerring instinct of a true man that his place is with US, FIGHTING, --as he has done all his life, --not putting on patriotic "tent-shows" which never, never, NEVER ENGAGE THE ENEMY -in fact, do not even NAME the enemy!

When General Walker finally has had enough of Hoggis and the rest of the pansy-type patriots, he will do as he has already done when he realized what was going on in our Jew-ized Armed Forces, -he will throw "safety" to the winds and join the American Nazi Party and FIGHT!

GOD BLESS J. EDGAR HOOVER

FBI's Difficult Problem: Russian Spies Fit No Definite Image

By John Edgar Hoover
(Director, Federal Bureau of Investigation)
(Copyright 1963, by the Associated Press)

WASHINGTON, D. C. (AP) — In this season of the Soviet spy—when the United States is espionage target No. 1 of Moscow — we might ask, "Who is a Soviet spy?" "What does he look like?" "Does he have a profile?"

Many people, undoubtedly, have a definite image of a spy — perhaps a good-looking, Mata Hari type, ready to romantically deceive, or a dire-faced fellow, in a long coat, racing up and down an alley.

Nothing could be further from the truth — for the profile of a Soviet spy today is that he has no profile! It is not possible to set up any composite picture — because he is so different, so varied.

Here is his great danger to our national security!

The spy may be old or young, man or woman, of any national background.

He may be highly educated or illiterate; he may be a doctor, dentist, stenographer, military man, government worker, scientist or of any trade or profession; he may be highly trained as a spy or a neophyte; he may live in a cheap boarding house with no money in his pocket or reside in a swanky home.

Opposites

Harry Gold was a rather undistinguished chemist from Philadelphia. His contact, Dr. Klaus Fuchs — who furnished Gold data about America's most valuable secret of World War II, the atomic bomb — was a highly competent, well-educated scientist.

Another Gold contact, David Greenglass, though not a scientist, was in an army assignment at Los Alamos that enabled him to sketch the lens mold of the atomic bomb.

Then there was David's wife, Ruth. She didn't actually commit espionage, but she helped solicit her husband to do his evil work.

All of these — including Julius and Ethel Rosenberg — were all different, yet they were part of one of the most dangerous spy combinations every directed against the United States.

A typist, a file clerk or a charwoman—any person who has access to coveted industrial and scientific documents —can be valuable to the Russians.

GOLD FUCHS

ABEL GREENGLASS

In one instance the Soviets developed a technical librarian in an industrial firm. Who else would have so many secrets at her fingertips? The Russians even furnished cameras to photograph documents.

Foiled by Mistake

In another case a Soviet official made a mistake. He sent his suit to the cleaners with a confidential document in a pocket. His source? A government employe in a highly strategic position.

While the FBI was investigating the Col. Rudolf Abel espionage case, we ran across the code name of "Quebec."

Here was a Russian agent. Who was he? Our investigation focused on an Army sergeant previously assigned to the American embassy in Moscow.

Compromised by a Russian girl in Moscow with whom he had an affair, this man became involved in espionage.

ROSENBERG ETHEL ROSENBERG

Then, like Abel, there are deep-cover Soviet spies—native Russians, professionally trained in espionage, who enter the United States under false identification papers.

Abel, for example, posed as a photographer with a studio on the fifth floor of a Brooklyn building. He was an ordinary-looking fellow who would never command a second glance if you passed him on the street—yet he was a master Soviet spy.

Much Equipment

After his arrest, the FBI found that his studio and hotel room were virtual museums of espionage equipment — cipher pads, short-wave radios, equipment for producing microdots.

Located also were containers, such as coins, shaving brushes, the clasps, which had been hollowed out for the purpose of secreting espionage messages.

This lack of a standard profile for a Soviet spy—his apparent anonymity and propensity to be of many types—increases the task of the FBI.

But, based on our experience, we have learned his habits, his methods of operation — how to identify and counteract him. That is our job as professional investigators.

You, the citizens, can do much to help us:

Report promptly any information you possess concerning espionage, sabotage and subversive activities.

Even if the information may seem insignifcant or non-pertinent, report it anyway. Many times a small piece of data, when placed with information we already possess, can solve an important case.

Report the facts. The FBI is not interested in rumor, gossip or idle talebearing.

Do not try to conduct your own investigation. The job of countering Soviet intelligence is a task for the trained investigator.

Be constantly alert.

Not long ago a photographer called the FBI. He said he wanted to report some information. On the basis of this call we were able to identify a Russian diplomat who, operating under an alias, was trying clandestinely to secure a special high altitude aerial map of New York City of a type not commercially available—a map that could have been of prime military value to the Russians.

This photographer's vigilance paid high dividends.

This is the season of the Soviet spy. We must all work together as a team to defeat him.

In this issue of the ROCKWELL REPORT we have reprinted an article by J. Edgar Hoover just as it appeared--with pictures--in the Des Moines Tribune for Thursday, March 7, 1963.

It is as clear a message between lines of newsprint as I have ever read in my life. And the story it tells is one for which generations of Americans will be thankful.

In essence, J. Edgar Hoover says in this article that there is no common, recognizable characteristics of Soviet spies in America. He says, "The spy may be old or young, man or woman, of any national background. He may be highly educated or illiterate; he may be a doctor, dentist, stenographer, military man, government worker, scientist or of any trade or profession; he may live in a cheap boarding house with no money in his pocket or reside in a swanky home."

THEN MR. HOOVER PROCEEDS TO USE AS EXAMPLES, HARRY GOLD, DAVID GREENGLASS, RUTH GREENGLASS, JULIUS ROSENBERG, ETHEL ROSENBERG, RUDOLPH ABEL, FUCHS AND OTHER SPIES--ALL JEWS.

Can there be any American so dense he misses Mr. Hoover's REAL message?

The article could have gone on with many more spies, of course, and all of them would, again, have been MORE JEWS.

Now, obviously, Mr. Hoover cannot hope to get an article published in which he says openly that Communism is Jewish. Nor could he keep his job five minutes after he made such a faux pas.

Will any of the right-wingers, especially Southerners, seriously contend that it is pure

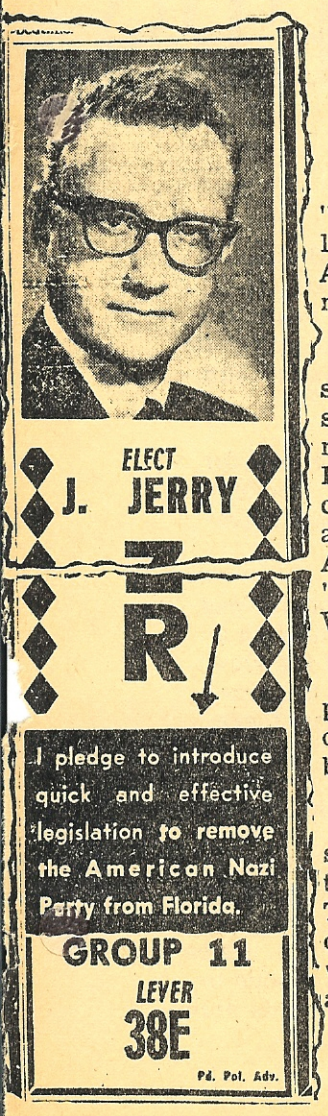
accident that Mr. Hoover happened to pick nothing but Jews as his examples of spies? Still more to the point, will any right-winger explain to me what possible purpose Mr. Hoover could have had in writing this article grouping together these Jew spies if it were not to call the attention, indirectly, of thoughtful Americans to the Jewishness of Soviet spies?

Fields and Warner, of the National States Rights Party, have gone so far as to claim that J. Edgar Hoover is a "nigger" and they endlessly blast Hoover and the FBI as a gang of Jews, Communists and enemies of America working for the Jews. Yet here we have J. Edgar Hoover going out of his way to write an article in which anybody but an idiot will immediately perceive, in spite of Hoover's headline that spies have no common characteristics--that they DO have a common characteristic--they are Jews.

I have never met Mr. Hoover and he never answers my letters. I know he and his agents work for an utterly vile gang of Jews in the Justice Department and that, up to a point, Hoover and the FBI agents take the orders of these horrible Hebes who work for Bobby. I also know that some kind of a framed-up prosecution will almost inevitably be cooked up by the Jews in the Justice Department sooner or later and agents of Mr. Hoover's bureau will probably arrest me.

But in spite of this, I thank God for the Federal Bureau of Investigation and its Director, J. Edgar Hoover. In my five years of desperate battling with Jew Communists and race-mixers all over America, I have not yet found a single case of mis-behavior by an FBI agent. There are plenty of Southerners, of course, who still are unable to see the utter impossibility of their position that the Federal Government may not infringe their "states rights" because the Constitution is "sacred"--while they maintain that it is right and proper for them to violate the Constitution as they see fit and then curse the FBI agents who attempt to uphold the law, as is their duty. It is foolishness to maintain that one is "for the Constitution" at the same time one denies parts of the Constitution or Amendments of which he disapproves and reserves the right to violate them and terrorize those who disagree.

I am confident that, when we have gained national power, and I can turn Mr. Hoover's agents loose on Jew Communists, Zionists, race-mixers, pornographers and subverters, they will be just as happy as we are to be out from under those wretched Yids in the Justice Department. I would not be a bit surprised to have some of the agents ask to be put on the gas detail or possibly steer the boats to Africa.



ANTI-NAZI CANDIDATES CREAMED

Both the Jews and the rest of the "right wing" continue to refuse to believe it--but the American Nazi Party ALREADY has won the hearts of great masses of American voters.

A little over a year ago in Pennsylvania, where I spoke in Lewisburg, some of the candidates for Congress made opposition to the American Nazi Party part of their campaign, and, because another candidate refused to lie about me, they called him a "Nazi." Although he was a newcomer and a "dark horse," he won a SWEEPING VICTORY.

In Chicago, a Kike War Veteran promised he would heave the Nazis out of Chicago if elected. He was booted out of office overwhelmingly.

Recently, in Miami, after we have staged one attack after another on Jew treason, race-mixing and subversion, THREE candidates made elimination of Nazis their main platform. Herewith is printed one of their political ads.

Jew Zeltner, (who ran this ad) got heaved out even before the elections, and didn't even make the run-off.

The other two Hebes, one of them the brother of the Florida Attorney General, promised to run us out of the State too, --Kravits and Ervin got run out instead, however.

It is also interesting to note that veteran congressman James Van Zandt, a supposed "conservative" never had any trouble getting elected, -UNTIL he went all out against the American Nazi Party. He TOO got the ax.

Readers should evaluate this in light of the fact that the elections in Miami were loaded with JEW votes, and so were the elections in Philadelphia. The Gentiles, as usual, slink around in the rear reassuring the Jews that they love them and hate Nazis, so that everybody gets the idea the Jews have things their own way. But when the Jew-loving Gentiles get into the privacy of a POLLING BOOTH, they happily pull down whatever handle seems most likely to louse up Jews.

That's the way it will be when we finally get on the ballot in spite of lack of funds, terrorism and massive smears in the press, etc. Everybody will swear he is going to vote for JEWS, and JEWISH ISSUES. -But WE will get elected.

One landlord was billed in newspapers as the "elusive landlord". He possessed an amazing aptitude for staying one jump ahead of housing inspectors for a solid year. He was finally nabbed in, of all places, another section of Housing Court, as he answered a prior summons for running a disease-ridden house at 72 West 118 Street. His name was Irving Lurie.

Though greedy and heartless themselves, slum-lords are noted for whining for mercy everytime they are finally nabbed. George Wallach, of 713 East 5th Street, profusely pleaded for mercy one Monday morning in Housing Court, after being found guilty of several severe violations. He was let off with a suspended sentence. But the following Thursday, just three days later, he was back in court again. Showing leniency had only encouraged him more. This time he was found guilty of 138 violations in a building he owns at 367 West 126th Street, a Negro area. He was fined $200, which to him, amounts to about one day's pay.

That most of the names of slum-lords are Jewish sounding is no coincidence. It is the case 85% of the time in big cities.

But slum-lords are not satisfied with merely collecting high rents for rat-infested buildings, while giving no service. Rent-gouging is another vicious scheme menacing tenants.

Many metropolitan areas have instituted Rent Commissions for the purpose of keeping some vestige of "control", so that greedy landlords do not run completely out of hand. It is then necessary to file statements concerning "capital improvement", verifying building improvements before rents can be raised.

The result has been the formation of huge Jewish rent-gouging rings. Jewish merchants supply Jewish landlords with false purchasing receipts, which are then shown to the Rent Commission as "proof" the Hebe landlord is justified in raising the rent.

Last September 15, the ugly faces of a whole nest of filthy rent-gougers were splattered across the front pages of New York dalies. It didn't say they were Jews, but they all were. The cringing cowardly, trapped lizzard-like figures were identified as Morton Ascher, Jack Brackarsh, Seymour Ticker, Bernard Miller, Irving Brackarsh, G. Kraslow, David Goldfarb and Murray Gersh. This Jewish gang was charged with milking tenants of over $15,000 a month. Some were released without even having to post bail.

Two weeks later another crackdown (elections were nearing so the city had to do something) led to the arrest of another gang of rent-gouging kosher krooks. George Goldleaf, of Goldleaf Sales Corp., 722 McClean Avenue, Yonkers, and his sales manager, Sidney Nissenbaum, of the Bronx, led the list.

They were accused of giving landlords phoney bills and inflated invoices for thousands of dollars worth of non-existent furniture, ostensibly given to tenants.

Who were the crooked landlords? A husband and wife shyster team, consisting of Murray Kenner and his wife, Natasha Kenner--again a strictly kosher affair. The kosher Kenners are said to have robbed hundreds of thousands of dollars from Christian tenants. Yet they were freed on a mere $1,500 bond.

The chief victims of Jewish slum-lords and Jewish rent-gougers are poor, hard-working White Christians and Negroes.

Negroes are actually hit hardest, especially in Harlem, where 80% of all private property and business establishments are Jewish-owned.

The New York City Department of Buildings recently conducted a spot check of 25 Harlem tenement buildings, and discovered 1,299 violations.

It is no wonder that the Muslims, with their anti-Jew sentiments, have been making such headway among Negroes, or that Negro pickets were quoted in the New York Times as having chanted, "Jew Go Away - Black Man Stay", in front of a newly-opened Harlem restaurant.

The restaurant was owned by Sol Singer, a Kike.

WOW!

If we could only get Americans to read the papers printed by Jews for Jews, we wouldn't have to print any Nazi literature. What they themselves say is much worse than we claim they say.

Here is an actual clipping from Harry "the Con" Golden's paper, the Carolina Israelite.

Ben-Gurion's Ultimatum

Ben-Gurion has sent an ultimatum to Castro as long as ultimata are filling the air. Ben-Gurion said, "An attack on Miami will be considered an attack on Israel."

And they tell America Zionism isn't treason!
